SIR,

In forwarding herewith copies of letters Nos. F.B. 3581 and 3582 dated 8th March 1937, received from the Finance Minister to the Government of Jodhpur, Jodhpur, in the matter of introducing Official and Public Branch Insurance Schemes in that State, I have the honour to seek instructions of Government in the matter. The letters have been acknowledged and a reply will have to go in due course.

I have the honour to be,
Sir,
Your most obedient servant,

Re queries — esp. no 1 in both
the cases are rather too detailed
for an answer. The Jamana
Scheme is solely for the benefit
of the Darbar & its bearing on
State Finance does not arise.
Pl. see also rule 24 of the Public
Br. rules. Is an open declaration of
the policy of Govt.
2 We could also perhaps ill-afford to
share any profit from here.
Kindly let draft for consideration.

Copy of letter No. F.B. 3581 dated 8-3-1937, from the Finance Minister, Government of Jodhpur, Jodhpur, to the President of the Managing Committee, The Mysore State Life Insurance, Official Branch, Bangalore.

---:oOo:---

As the Jodhpur Government is considering the introduction of a State Life Insurance Scheme similar to that of yours, I shall be - obliged if you will kindly send me a detailed reply to the following queries:-

1). Do you consider that your Scheme is a success both from the point of view of State finance and of benefit to the assured?

2). Could you spare any man of your staff or suggest one from outside with necessary technical experience to formulate a Life Insurance Scheme for this State similar to that of yours, subject, however, to such modifications as might be found necessary to suit local conditions; and possibly to run the concern?

3). If a man is available, on what terms would you consider his deputation and how long do you consider it would take to formulate a scheme?

4). Could you kindly give me details of the numbers of men employed and the salaries paid to them in your organization?

7 Considering the population of Jodhpur State (about 24 lakhs), (1) I think only an Official - Branch Insurance Scheme may be started in Jodhpur. Both the Official and Public Branch schemes are advantageous to all parties concerned.

(2). If Government should consider such a course necessary, and an official from this Office staff is decided to be sent, one of the Assistant Secretaries may be deputed for a period of two - months in the first instance on the terms to be decided later on. The officials will have to be consulted before a commitment is made.

(3). As regards the period required for formulating the scheme and possibly to run it, as stated in the letter under reply, it is not possible definitely to fix this as it depends on a number of circumstances including the period required to study
